## CHECK LIST OF THINGS TO THINK ABOUT AND DO

**Soon we will be on our way** to Preston County, West Virginia. (19 days and counting.) There is a lot to think about and do so here are a few pieces of information that will come in handy as we pack and prepare:

+++ Think about your clothes packing list: (See attached list of items to bring ) **REMEMBER** keep it simple, the lesser the better! No halter tops, half shirts, miniskirts, or shirts and hats expressing alcohol or drug slogans or obscenities.

+++**PRE-PACK** as much as you can including air mattresses, pillows and clothes and bring your stuff with you on Saturday the 29th so we can pack the vehicles.

+++ Do not bring valuables including expensive electronic equipment and jewelry.

+++ Get together all necessary items for work, i.e. hammer, tape measure, work gloves, work boots, safety glasses, and whatever else your team needs. (See attached list of "Group Packing Suggestions".) **Mark your tools so they don't get lost or misplaced** and carry them in a tool box or other kind of carrying case.

+++ Each Team will be responsible for a Morning Devotion. Think about what you might do with your team and be prepared with whatever materials you will need such as a Bible, devotion book, etc.

+++ Plan on bringing at least \$75.00 for travel money to cover meals on the way down and back, snacks and drinks for the work site, ice cream in the evenings and other items you may want to purchase.

+++ Keep this trip in your prayers and ask God for whatever help you think you will need to make your week in West Virginia a great experience!
