The Diocese of Paterson  
Invites You To Come To New Orleans For  
**OPERATION HELPING HANDS**  
**MAY 16-22, 2010**

Hurricane Katrina severely damaged as many as 200,000 homes in the Greater New Orleans area. Hurricane Rita's effects exacerbated the damage already done by Katrina. Operation Helping Hands, a program within Catholic Charities, brings volunteers from across the country to continue to help New Orleans by rebuilding homes of elderly, disabled or uninsured homeowners.

Volunteer groups range in size from 10 to 15 people and come from all over the country with their own designated leaders to volunteer for a week in the Greater New Orleans area. Depending on their skill level, volunteers may be doing jobs ranging from painting, light carpentry or plumbing, landscaping, drywall replacement, roofing and flooring.
