## JOYFUL DISCIPLESHIP:

### *A Journey from Encounter to Transformation*

## Our Parish Lenten Mission

**February 11 & 12, 2018**

Sunday & Monday evenings at 7:30 PM

Guiding us on the journey will be

**RON HUNTLEY**

Director of Coaching & Development at Divine Renovation Network

Join us for two inspiring evenings of reflection, song and powerful insights as we are led by Ron Huntley in our Lenten Mission. Ron works closely with Father James Mallon, author of *Divine Renovation*, the book that inspired our own journey of parish renewal. Ron has personally coached our senior leadership team for over a year, so he has a good sense of our culture here at Notre Dame. He is excited about meeting our flock!

Ron will explore with us why **joy** is at the heart of authentic discipleship, and what the difference is between a “believer” and a true *disciple*. What does a disciple look like and how does being one have the power to transform our lives?

***Plan to kick off your Lenten journey by joining us for these two inspiring evenings!***
